Will Support
25/05/2022 8:47

Hey there!

Will Support is expanding and looking for extra workforce, we need you!

If you are organized, ready to take a challenge and socially-minded, you'll fit in like a charm. You will be working closely with schools and external clients to organize productive ways and collaborations with other companies (like with Softbrain ICT) so that the software-side of the company can do its job better and deliver to the client.

"But... what will I get?"

We offer a salary of €2200,- with bonuses as you evolve in our business. On top of that you get to work in an awesome team of young and ambitious people.

Why wait? Apply now. <https://willsupport-dck9i.ondigitalocean.app/>
